

# I. Chinese Tea Classification and Oolong Tea

Chinese tea can be categorized according to history, processing techniques, place, seasons, classes, shapes, marketing areas, etc. Modern tea studies classify teas into the accepted basic tea group and reprocessed tea group.

## 1. Chinese Tea Classification

Reprocessed tea group includes flower tea, compressed tea, tea package, instant tea powder, tea beverage, etc.

Tips

## 2. The Group Oolong Tea Belongs To

Though the term “blue tea” (*qing cha*) may sound unfamiliar, Oolong tea is a familiar and well-known name. Oolong tea is another name for blue tea.
