## Lesson 1 我的名字

### 1.1 独体字与合体字 Single-unit and multi-unit Chinese characters

At the very beginning, many **single-unit Chinese characters** were simple pictures. Later on **multi-unit Chinese characters** were created by adding extra strokes or by combining several single-unit characters. Learning more about the development of Chinese characters will help you expand your vocabulary. It also gives you insights into the culture.

Compare the characters given in the upper boxes with the more complex ones beneath them. Circle the **additional** strokes or parts in the lower boxes.

## 1.2 回答下列问题 Answer the following questions.

1. 你姓什么？叫什么名字？

---

2. 谁是你的好朋友？

---

3. 他姓什么？他有没有英文和中文名字？

---

4. 你叫他什么？

---

## 1.3 问一问，写一写，画一画

Ask someone the above questions, and then write a paragraph about him/her.  
Draw illustrations for your paragraph.

---

---

---

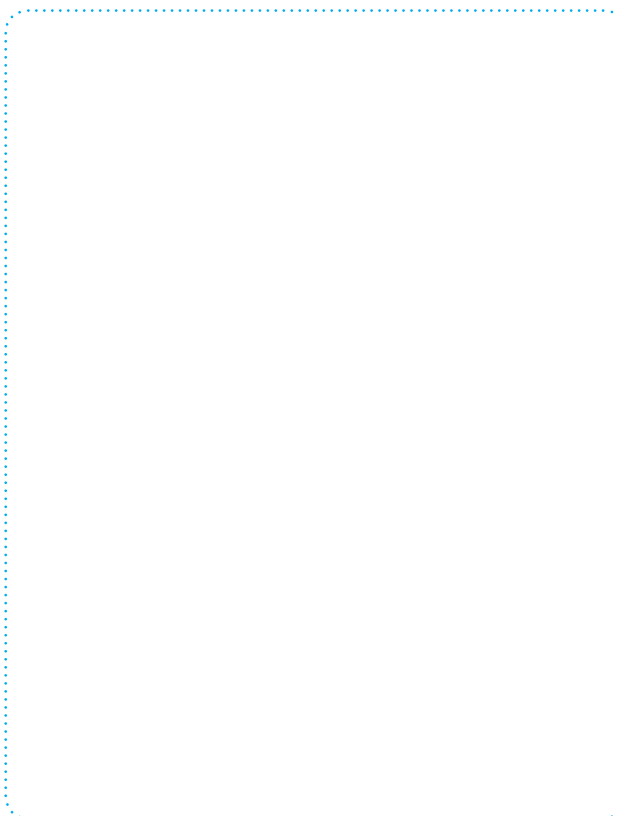

---

---

---

---

---

### 1.4 介绍自己 Introduce yourself.

First, read the following paragraph about how to introduce oneself. Then rewrite it in the space provided, substituting the **underlined names and nicknames** with your own.

我姓伍，叫白立，伍白立，英文名字叫 Barry。老师叫我白立，爸爸妈妈叫我小立，爷爷叫我立立，奶奶也叫我立立。我的好朋友都叫我阿立。你呢？

---

---

---

### 1.5 写一写 Practice writing Chinese characters.

	姓	.	.					xìng	family name
	叫	.	.					jiào	call
	呢	.	.					ne	question particle
	英	.	.					yīng	hero, an abbreviation for England
	立	.	.					lì	stand
	站	.	.					zhàn	stand, stop, station
